

PUIGMAL House to be built to your liking on a 91 m2 plot

<p><p>Semi-detached house of 108 m2 to be built on a 90.45 m2 plot for a total of €225,000. It is located in the Puigmal sector, a quiet area of Empuriabrava, urbanized, with lighting and sewage. The house will consist of a closed garage, a spacious living room, an open kitchen and a full bathroom with a shower on the first floor. On the second floor, two large bedrooms with built-in wardrobes and a full bathroom with a bathtub or shower, as the client prefers, and two terraces. The ideal thing about buying a house to be built is that the client can choose between various materials according to their tastes. Take advantage of this opportunity and for a good price you can have a house made to your liking on the Costa Brava.<p><p>With 23 km of navigable canals, the Marina of Empuriabrava is considered the largest residential marina in Europe. The location and climate also contribute, among other things, to making it a reference point for the practice of skydiving and water sports.<p>
