

Magical places to dream

A quiet village in the north of the Costa Brava. It is characterised for being a village of family tourism and offers its visitors different walks and bike rides through its mountains. Ideal for diving lovers, as it has several options for this (the area of Cap de Ras, the Veta Blanca and the popular Cala Rovellada).

It has several options of cultural interest such as the centenary tree, the art parc, the parish church, the Molinás Castle, among others. It also offers many walking routes.

On the weekend of St. John's Day (24th June), the mel novella (new honey) fair is held with just over thirty stalls along Carrer dels Horts and Plaça Pi i Margall.

The Festa Major takes place at the end of September on the occasion of the celebration of the town's patron saint, Saint Michael (29th September).

Also, the beaches that bathe this magnificent village are an attraction, such as the beach of Garbet, the beach of Borró de dins, the beach of Les Portes.

We have a charming flat with 2 bedrooms, 1 bathroom, living room and independent kitchen, perfect to enjoy all these experiences and the spectacular surroundings that Colera offers.
