

One bedroom apartment in El Salatar

Discover Santa Margarita! This charming one-bedroom apartment, located on the second floor, offers you comfortable and convenient living close to the beach and the bustling city center. With 41 m² built and 33 m² usable, this apartment is ideal for those looking for a comfortable and functional space. The living room is spacious and bright, perfect for relaxing after a day at the beach. The kitchen is well equipped and the bathroom has a modern shower. In addition, you can enjoy a closed terrace with open views, ideal for your moments of relaxation. The building has communal parking, making your day-to-day life easier. Although it does not have heating, the air conditioning guarantees a pleasant temperature throughout the year. With an energy class G, this apartment is a unique opportunity to live near the sea without giving up the comfort of the city center. Don't miss this opportunity and come and visit it!
