

Superb fisherman's house completely renovated

This three-sided fisherman's house has a private courtyard for one car on the street side.

Then on the ground floor is a very beautiful spacious and bright living room with fully equipped American kitchen, a separate toilet and a garage.

On the canal side is a magnificent terrace with jacuzzi with a deep view of the port.

The house has a private mooring of 7 meters by 2.50 meters.

Upstairs are three large bedrooms, a shower room, and two balconies.

This property has pleasant volumes as well as services such as reversible air conditioning, double glazing etc...
