

Nice apartment with sea views, 2 bedrooms, 2 terraces and 100 meters from the beach.

The kind of apartment that is difficult to find nowadays, take advantage of the opportunity:

In the well-known Grand Canal complex, these apartments are very rare and therefore highly sought after: unlike most other apartments, this corner apartment has 2 double bedrooms, one of them with its own terrace, a bathroom with shower and an additional guest toilet. And a small but well-equipped kitchen and, of course, the living room, with a large glazed corner terrace with sea views. All in a privileged location in Santa Margarita just a few meters from the pier, promenade, shops, restaurants and bus stop. Perfect for a relaxed holiday - everything is within walking distance, but you are far enough away that you don't have to worry about noise pollution from bars, beach cleaners etc.

The Grand Canal house has a nice patio with plants where you can park your bikes safely. A concierge ensures safety and cleanliness, elevators are available so getting to the second floor is not a problem.

And the community fees are not very high.

Don't waste your time, the apartment will not be for sale for long. Get in touch and see for yourself.
